Subject: MICROSOFT SETTLEMENT

To Whom It May Concern,

YES : I firmly believe that settlement between Microsoft, the Justice Department and bipartisan groups of State Attorneys General in the original antitrust case IS in the best interest of our Great Nation.

I also believe that special interest groups / parties consumed with envy, jealousy, unearned potential personal gain, have ' piled on ' the anti trust case in a most unpatriotic way. Thankfully they are a pitiful minority !

The prejudiced behavior of Judge Thomas Penfield Jackson during this sad saga has been most dismaying to say the least !

The vast majority of States representing The American People want settlement !

LET'S MOVE ON !!

IT WILL BENEFIT US AND COMMUNITIES AROUND THE WORLD !!!

Sincerely,
